MOMENTS LATER...

WH-WHERE AM I?

YOU ARE BEFORE A BAR OF JUSTICE THAT CANNOT BE CORRUPTED, "JUDGE" MURDOCK. THE COURT OF THE LIVING DEAD, WITH THE SHORTS OF YOUR MANY HANGINGS OF YOUR MANY HANGINGS VICTIMS SITTING AS A JURY.

THIS IS A TRICK! YOU'RE A TOOL OF JENNINGS WATT'S, SENT HERE TO KEEP ME FROM OBTAINING THE GOVERNORSHIP!

I AM THE TOOL OF NOTHING EXCEPT THE CAUSE OF JUSTICE. I CONFESS TO YOUR SMUTTY CRIMES AND TAKE YOUR PUNISHMENT LIKE A MAN.

SO THAT'S YOUR GAME, IS IT? WELL, YOU'RE NOT GETTING AWAY WITH IT! SEE IF YOUR CONNECTIONS WITH JENNINGS WATT'S CAN STOP THIS STEEL!

WH...?

"THE ONE WITH WHOM I HAVE 'CONNECTIONS' LAUGHS AT THE NOBILITY OF STEEL AND VIOLENCE."

I ALMOST LAUGHED MYSELF THAT WERE PICKED AS IT LURED ME AND SUNK INTO MY REVERSIBLE CAPE.

I - I CAN'T BELIEVE IT! I'VE GOT TO GET OUT OF HERE BEFORE I LOSE MY MIND!

**STOP!**

YOU... YOU'RE EVERYWHERE AT ONCE! YOU MUST BE FROM ANOTHER WORLD! I'LL DO WHATEVER YOU WANT ME TO DO! TELL ME WHAT YOU WANT AND I'LL DO IT! PLEASE DON'T MAKE ME LOSE MY MIND.

YOU MUST RIGHT THE WRONGS YOU HAVE COMMITTED. YOU MUST COME WITH ME TO HALT THE HANGING OF BOB WATT'S AND ESTABLISH HIS INNOCENCE BEFORE THE CROWD. HURRY, LEST WE ARE TOO LATE TO UNDO THE DAMAGE YOU HAVE DONE.

# TIM HOLT

MEANWHILE, AT THE ELABORATE GALLONS DESIGNED BY JUDGE MURDOCK...

STOPS THE WARRANT UP GOOD!

IT'S TOO BAD THE JUDGE WON'T SHOW UP FOR THESE THINGS. I KNOW HE LIKES TO SEE PEOPLE HANGED, BUT HE JUST WON'T COME AROUND.

STOP! YOU ARE COMMITTING A GRAVE MISTAKE! I HAVE THE PROOF OF THIS HOAX HERE TO CONFER.

THE GHOST RIDER!

AND HE'S GOT JUDGE MURDOCK WITH HIM!

QUIET, EVERYONE, AND YOU WILL HEAR HOW YOU HAVE BEEN MISLED. SPEAK, EVIL ONE!

MY FRIENDS, IT IS TRUE THAT YOU HAVE BEEN VICTIMS OF A HOAX. BOB WATTS IS JUST AN INNOCENT TOOL IN THE HANDS OF A FAR MORE EVIL MAN. TRUE, HE COMMITTED MURDER, BUT HE DID IT AT THE INSTIGATION OF ANOTHER, THE REAL VILLAIN, WHO STANDS HERE BEFORE YOU AS...

THE GHOST RIDER!

I ALLUS KNOWN THERE WAS SOMETHING QUERR ABOUT THAT CONTRER. I NO HONEST GUY BOSS AROUND THE COUNTRY SE A GHOST WITH OUT NO REASON.

WATT! YOU MUST LISTEN!

WE HEARD ENOUGH, BUT HIM, BOYS!

BE CAREFUL, BOYS! HE'S MIGHTY TRICKY!

LET'S SEE IF HE CAN OUTLAST HOT LEAD!

MY REVENGEABLE CAPS SAID TO ME THAT THIS, BUT IF THEY START FIRING WILDER, I CAN'T HOLD ALL OF THEM, I'LL HAVE TO MOVE FAST.

LOOK WELL AT MY COMPANION, FRIENDS!

IT'S GUNNER ROBERTS! HE WAS SUPPOSED TO BE DEAD!

HE'S VERY MUCH ALIVE, FRIENDS, ALIVE BECAUSE HE NEVER WAS KILLED, THIS IS THE WAY YOUR GOOD JUDGE PLOTS TO DESTROY INNOCENT PEOPLE.

THE JUDGE PAID GUNNER TO ACT AS A VICTIM IN THIS "SHOOTING," AFTER HE HAD SUBSTITUTED BLANK CARTRIDGES IN GUN'S GUNNIN. GUNNER WAS WAITING HERE TO BE PAID BEFORE LEAVING TOWN. HOW DO YOU BELIEVE ME?

WAL, I'LL BE TURNED, I ALLUS KNOWED THAT JUDGE WAS A SLICE OF ME. HERE HE'S THE ONE WE OUGHTN'T A STINK UP.

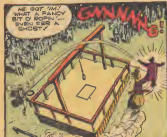

LOOK OUT! HE'S GETTING AWAY!

DON'T SHOOT! WE WANT HIM ALIVE!

WE SHALL FACE A FAIR TRIAL, SO THAT ONCE IN HIS LIFE HE WILL SEE WHAT HONEST COURTROOM PROCEDURES & LIKE."

**GUNNIN'!**

& FITTING END TO THE CAREER OF ONE WHO HAS HANGED SO MANY! HOW DOES IT FEEL TO DANGLE FROM THE END OF A ROPE, "JUDGE" MURDOCH!

HE SHOULD BE HANGIN' BY THE NECK!

AND NOW MY WORK IS DONE. I MUST RETURN TO THE WORLD OF THE DEAD BUT LET THIS BE A LESSON, MY FRIENDS. NEVER LET A DEMAGOGUE BLIND YOU TO THE NEED FOR FREEDOM AND JUSTICE. ONLY SO LONG AS THEY ARE GIVEN TO EVERYONE WILL THEY BE ENJOYED BY YOU.

THE NEXT DAY.

I WAS JUST THINKING IT WAS SEX FUZZ WHO TOLD ME TO TELL GUNNER TO WAIT BEHIND THE GALLIOWS FOR HIS MONEY AND YET... IT WAS THE MOST RUDE WHO... OH, NEVER MIND, THE OEA IS TOO BILLY TO BE TRUE!

A PENNY FOR YOUR THOUGHTS, HOLLY DARLINGS.

**BILLY THE KID** killed his first man at the age of twelve - with a knife. He was of medium height, and left-handed. There was only one Billy the Kid, though other outlaws named BILL, or Billy, might be mistaken as "The Kid" in honor of the original Kid. He was 23 years old when he was killed by Sheriff Pat Garrett in a dark canyon. I doubt if he was Garrett before he died. Billy was a killer rather than a robber, though he did rob a few and robbed cattle. His real name was William C. Bonney. Stories and moving pictures have been written about him that make him seem "good" but in reality, Billy the Kid was a cold killer, having killed a man for every cent of his twenty-five years of life - twenty one dead men in all (not counting himself).

There is no way of comparing Billy the Kid and Jesse James. Both were fast gunners, hard-fisted killers and robbers. They are supposed to have met face-to-face in a hotel somewhere in Arizona, though they were friendly and had to gun fight. Jesse James was 3'6", 110 lbs.; tall, blue eyes and blonde hair. Billy the Kid was 5'2", 110 lbs.; tall, blue eyes and blonde hair.

**ATTENTION:** Richard McGee, Dallas, Texas

There was an outlaw named the Apache Kid, a typical "Tommy-wag" Apache whose reputation in the southwest was such as that of Geronimo. Tracked down by a man named Forrest Clarke, he engaged him in a gunfight. Though his dead body was never found, nobody ever heard anything more of the Apache Kid. It is generally supposed that he was killed by Clarke and creaked off like an Indian in the desert.

Y.; Stuart Gilbert, Ontario, Canada; Nancy Roland, Frederick, Mass.; - Deane Lambertson, R.I.; Patrick Rags, Ansony, Calif.; Johnnie Ross, Carolina, Virginia; Bruce Smayda, Chatsworth, Wisconsin.

Bob Ford killed Jesse James by shooting him in the back. Jesse James had no intention of "going straight" at this time, so neither was set to shoot in the narrow. The number of men killed by Jesse James does not include those of the gun-stickers during the Civil War. As an outlaw, Jesse James was a robber, rather than a killer. Both Jesse James and Billy the Kid took in the two most famous outlaws of all times.

Wild Bill Hickok was the fastest man so far drawn in the old West. Buffalo Bill was not a gun-fighter, but an Indian-fighter. Wild Bill was killed in the back, and killed, while playing poker in Deadwood, South Dakota, August 2, 1876.

**NOTE:** Many historical TIMBOLT counts who are interested in WILD BILL Hickok like Billy the Kid, Jesse James, and the Dalles gang, as well as that master gun-fighter, Wild Bill Hickok, we are publishing a complete **GUIDE TO THE WILD**, with **MAPS OF THE WEST**, set to appear in November, 1933.

You, Dave have old Redmasks. They tell their story through the pages of these, inaccidentally except for leader chills, often with ever-lasting their impressions. Some of the greatest of these old times may be found at Mont Verde, Colorado.

The double identity of Tim Holt and Redmask is known only to the readers and to Tim Holt in the stories in Tim Holt comic book. Whenever they are shown together, it is usually a fake Redmask, or perhaps a dummy Redmask rigged up by Tim. The cover showing Tim and Redmask seemingly about to "shoot it out" was used for several years to draw that in the story, Tim must compete against himself as Redmask.

No, Tim Holt is not The Ghost Rider. The Ghost Rider is a fictitious character.

Tim Holt, Rocky Lane, Ray Rogers, Leah Smith, Timmy Davitt and Charlie Bradford (The Davengro Kid) are real people.

My horses have been a patented named Lightning, a red roan named Joe Davis, and one a bay stallion named Wrangler. Yes, Wrangler is one my favorite horse.

We have a Ghost Rider but not any Redmask suits, but the publishers of Tim Holt comics are giving serious thought to the advisability of covering copies of Redmask's commercial success and putting it on the market for boys and girls. However, those who are interested can create a Ghost Rider mask by sending the dollar to Magazine Enterprises.

Registers of Redmask or Tim are available on sale, but we are trying to do something about that incidentally. If personal registers are requested from Magazine, please send a stamped, self-addressed envelope, and forward in your letter savings.

**ATTENTION:** Julia MacKenzie, Newmarket, New Brunswick, Canada, Janet Kay 71844036, Woodland, Wisconsin.

A "rod house" was a house built of rod, laid dug out of the ground and supported by wooden props, with a rod roof. Due to lack of lumber in some parts of the early west, the settlers had to live in these. They were reportedly cool in summer and warm in winter. Of course, provision was made for a chimney so that families could cook.

**ATTENTION:** John Bailey Ray, Phillips, Miss.

Most Indians became settlers because of the "star" money they thought they could make by robbing and stealing. Sometimes, circumstances seemed to force some men to "turn bad," but in most cases it was because there was a "bad" streak in them to begin with.

**ATTENTION:** Richard Fletcher, Toronto, Canada, McArthur Oves, Nova Scotia, Canada, Hugh Webster, Wilson, N. Y., Gregg Lacey, Atlanta, Mich.; Robert Elmer, Prince George, British Columbia, Spurne Baughn, Osburnville, Wisc.

Tim Holt is the best I read The Lone Ranger. Both The Lone Ranger and Turbo are excellent characters. They are so real, and the man even is written in on TV as the Lone Ranger is an actor assuming this fictional part.

**ATTENTION:** Bill Pail, Toronto, N. C.

A "poco" was a number of men, mostly found in places of a town or cowboy in town for the day, collected by the sheriff to go after an escaping robber or outlaw. The term came from the Spanish word poco, meaning "to ride."

**ATTENTION:** Bobby "Shorty" Dinkeld, Victoria, British Columbia.

The "wild west" was so called because of the lawlessness and a number of killings, robberies, kidnappings, fights, stagecoach kidnaps and Indian wars that went on out there between 1850 and 1890. If anyone ever detailed all the deaths and robberies up, they would agree that without doubt, the west was indeed "wild."

**ATTENTION:** Bill Corneale, Jr., Indian Ridge Park, Florida.

A "trading post" was nothing more or less than a wilderness store. But because the Indians and trappers who stopped by the store for needed goods, food and fire had little money, they "traded in" the furs and skins of the animals they trapped for their items. Thus the term began to spring up. Usually, trading posts were found in Canada and Alaska, rather than out far West. The Hudson Bay Company had many of these trading posts scattered across Canada and down into Oregon and Wyoming.

**ATTENTION:** George Eades, Athens, Tennessee.

Western horses had a bad black mare named Black Nell.

**ATTENTION:** Cleo Lane, Calverville, Missouri.

Leading and reloading revolvers or rifles in the movies is thought to descend from the "action" of the picture. It is called because it shows the story done. That is why men seem to live many days without reloading. It is assumed that they load out of sight of the viewer, or, as it is called in movie and stage parlance, "off stage."

That's all the space we have right now, boys and girls. But keep writing! Don't worry if we didn't get your letter in this issue - we'll get to it soon! If you're in a hurry for some information, or want a personal answer, please send in a stamped, self-addressed envelope!

# CAR BURNING OIL?

## Engineer's Discovery Stops it Quick

### Without A Cent For Mechanical Repairs!

If your car is using too much oil—if it is sluggish, hard to start, starts to jerk up, ticks, pops and puffs—you are paying good money for oil that's burning up in your engine instead of providing lubrication. Why? Because your engine is leaking oil. Friction has worn a gap between piston and cylinder wall. Oil is seeping up into the combustion chamber, soaking your motor with carbon. Car's exploding down through the gap, giving it "wood

#### Save \$50 to \$170 or More!

Before you spend \$50.00 to \$170.00 for an engine overhaul, read how you can fix the leaky engine yourself in just a few minutes without having a single drop of oil. Without this oiling your engine down, it'll clean as well as restoring the type of oil-saving system that is a real shock to the discovery of a new miracle substance called Power Seal. This revolutionary new compound combines

the lubricating qualities of Moily, the great motor metal, with the fast acting properties of Vaselineoil, the finest product when particles capture under heat. Up to 54 times original life!

Just because Power Seal out of the tube lets your motor's oil leak through the spark plug openings, it will speed over piston, piston rings and cylinders with its own engine seal and it will PLUG every surface with a coating of oil, metallic film that just comes off! No amount of pressure can wipe it off. Its amount of film can break a dozen, it fills the cracks, scratches and ravines caused by engine wear. It cleans the gap between your piston rings and cylinders with an automatic self-cleaning seal that stops oil seeping into gas flow to seal exhaust completely. No more puffs blowing no more engine leaks! You get more power, speed, mileage.

This miracle sealing is self-lubricating too. Moily, the great metal lubricant, reduces friction in working the seal. It is the only lubricant substance tough enough to be used in a 150° centigrade engine block and oil engine. It never drains down, never leaves your engine dry. Even when your car has been standing for weeks even in coldest weather, you can start it in a half minute. The lubrication is so oil saved itself. That's why you'll need something like oil, you'll get hundreds, even thousands of more miles per quart.

#### HOW TO ORDER

You don't risk a penny. Power Seal guaranteed. One Power Seal will make your car run like new. For it is your engine oil. 10 days. Try Trial! If you are not getting better performance out of your car than you already possess, or if you have not stopped oil burning and have not increased oil mileage—return the empty tube and get your money back in full. Power Seal is absolutely harmless, it cannot harm the hose or in any way. It can only prevent and prevent wear only.

POWER SEAL AGAIN SHOWS UP THE ENGINE OIL.

Here are the Test Engineer's measured figures showing the unusual oil saving in comparison obtained in a trial. Dr. Fred Pratt has had run his 1935 Buick. See our POWER SEAL, statistics measured gas and power, reduced gas consumption, oil oil burning steady 20%.

	1st 2	1st 2	1st 2	1st 2	1st 2	1st 2
GROUP	100.00	100.00	100.00	100.00	100.00	100.00
AFTER	105.00	104.00	117.50	119.00	104.00	115.00

#### BEST INVESTMENT YOU EVER

\$1.95 per quart

"We simply cannot do POWER SEAL for maintenance and make an extra system for maintenance. Complete test findings were taken before and after and showed a big improvement in fuel consumption. As a result the engine passed a big check-up and power which was especially noticeable on hills. What happened, of course was the sharp reduction in oil consumption. In gas only we usually burn about a quart a day of oil. After we have used 100 cc. of oil, about 1/2 quart, the POWER SEAL was applied a month ago. In the week after oil consumption was cut noticeably in half. My house also has been getting better gas mileage. All in all POWER SEAL, proved out in the past about the best investment you ever made. It paid for itself in two weeks and has been saving money for us ever since. In my opinion of producing the best oil saving substance that would have any effect on the market." Fred Lee Douglas, N. Y.
